Business Ownership/Management Certification Form

What is this form?

To help the government fight financial crime(s), federal regulation requires MSU Federal Credit Union to obtain, verify, and record information about the beneficial owners of legal entity members. Legal entities can be abused to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who ultimately own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

- (ii) An individual with significant responsibility for managing the legal entity member (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, or Treasurer) regardless of equity interest in legal entity member.
