

Truth in Savings and Funds Availability Disclosure

The Truth-in-Savings Act (TIS) is a section of the Federal Deposit Insurance Corporation Improvement Act of 1991. The National Credit Union Administration (NCUA) is charged with enforcing this Act, which applies to all credit unions. The purpose of TIS is to promote and simplify comparisons among accounts at all financial institutions. TIS enables consumers to make informed choices and comparisons among competing claims of financial institutions by requiring disclosure of the interest rates payable on these accounts and the fees assessable against these accounts.

It is the intent of Michigan State University Federal Credit Union (MSUFCU) to maintain compliance with this federal law pertaining to disclosure of the terms and conditions of all savings programs. The following disclosure information illustrates the various savings and checking alternatives available to members of MSUFCU. Specific features, rates, and fees of Credit Union services are subject to change without notice.

The Current Dividends sheet and Fee Schedule referenced in this document set forth certain conditions, rates, fees, and charges applicable to your accounts at MSUFCU. The Current Dividends sheet and Fee Schedule are available at msufcu.org and at our branch locations. If you would like to receive this information by mail, or if you have any questions regarding this disclosure or accounts offered by MSUFCU, please contact a member service representative.

COMMON FEATURES

All accounts offered by MSUFCU share several common features:

Membership: You must complete purchase of a \$5.00 par value share in MSUFCU and be a member in good standing.

Nature of Dividends: Dividends are paid from current income and available earnings, after required transfers to reserves, at the end of the dividend period.

Federal Deposit Insurance: Accounts are federally insured by the National Credit Union Share Insurance Fund, which is administered by the National Credit Union Administration, an agency of the United States government.

Transaction Limitations: We reserve the right at any time to require not less than seven days written notice before each withdrawal from an interest-bearing account other than a time deposit, or from any other savings account as defined by Federal Reserve Regulation D.

All interest-bearing and dividend-bearing accounts offered by MSUFCU share several common features:

Compounding and Crediting: Dividends will be compounded and credited to your account monthly, except for the Mortgage Escrow Share Account, which is compounded and credited quarterly.

Dividend Period: The dividend period is monthly for all account types except the Mortgage Escrow Share Account, which is quarterly. For example, the beginning date of the first dividend period of the calendar year is January 1 through January 31 (January 1 through March 31 for the Mortgage Escrow Share Account). All other dividend periods follow this same pattern of dates. The dividend declaration date follows the ending of a dividend period, and for the example above is February 1 (April 1 for the Mortgage Escrow Share Account).

Balance Computation Method: Dividends are calculated by the daily balance method, which applies a daily periodic rate to the balance in the account each day.

Accrual of Dividends on Noncash Deposits: Dividends will begin to accrue on the business day you deposit noncash items (e.g. checks) to your account.

Withdrawals are limited to a total of four per calendar year and can only be made during May, June, July, and August. The fund transfer made in August will include the remaining balance.

Fees: Please see the Fee Schedule for current fees that may apply to this account.

Holiday/Vacation Savings

Rate Information: The dividend rate and annual percentage yield (APY) may change at any time, as determined by MSUFUCU's board of directors. If you close your account prior to payment of a dividend, you will not receive any accrued dividend.

Minimum Balance Requirements: There is no minimum balance amount to open this account or to earn dividends.

Transaction Limitations: During any month, you may not make more than six withdrawals or transfers or a combination of such withdrawals or transfers to another Credit Union account of yours or to a third party by means of a preauthorized automatic or computer transfer, telephonic order or instruction, or similar order to a third party. Regardless of the balance, funds from this account will automatically transfer to the member's checking account, or Spartan Saver if a checking account is not available, in mid-November.

Fees: Please see the Fee Schedule for current fees that may apply to this account.

Savings Builder

Rate Information: The dividend rates and corresponding annual percentage yields (APY) may change at any time, as determined by the MSUFUCU board of directors. This account is tiered, which means it pays different dividend rates corresponding to applicable account tiers on the applicable balance in each tier and not the entire account balance. Total dividends paid are the sum of dividends earned from each tier. The corresponding APYs for a tier may be disclosed as a range to reflect the fact that your daily balance impacts that APY. The applicable tiers, dividend rates, and APY ranges will be as listed in MSUFUCU's Current Dividends sheet. If you close your account prior to payment of a dividend, you will not receive any accrued dividends.

Tiered Rate Example: For this example, assume there are three (3) tiers (Tier Rate 1, 2, and 3). Each dividend rate will apply only to the portion of the account balance within each balance tier range (Tier Range 1, 2, and 3) and not the entire account balance. For the amount of your daily balance within Tier Range 1, you will earn Tier Rate 1. For the amount of your daily balance in Tier Range 2, you will earn Tier Rate 2. And, for the amount of your daily balance in Tier Range 3, you will earn Tier Rate 3. The dividends earned from each tier will be added together to calculate your Annual Percentage Yield Earned (APYE) which will be provided on your periodic statement. Please note that because the Savings Builder account pays a higher dividend rate on Tier Range 1 than it does on Tier Range 2 and a higher dividend rate on Tier Range 2 than it does on Tier Range 3, the result is that – if your daily balance exceeds Tier Range 1 – the larger your daily balance, the lower your APYE. Please refer to the Current Dividend sheet for specific information on tiers, dividend rates, and APY ranges.

Minimum Balance Requirements: There is no minimum balance requirement to open this account or to earn dividends.

Other account requirements: In order to maintain a Savings Builder account, you must maintain an active checking account. If your checking account is closed (either by you or us), your Savings Builder account will be closed and your entire account balance will be transferred to your Spartan Saver account. Limit one Savings Builder account per account. Youth accounts, business accounts, Individual Retirement Accounts, and Health Savings Accounts are not eligible for a Savings Builder account.

Transaction Limitations: During any month, you may not make more than six withdrawals or transfers to another credit union account of yours or to a third party by means of a preauthorized automatic or computer transfer, telephonic order or instruction, or check, draft, debit card, or similar order to a third party. If you exceed the transfer limitations, your account will be subject to closure or a fee.

Fees: Please see the Fee Schedule for current fees that may apply to this account.

CHECK 21 ACT — SUBSTITUTE CHECKS AND YOUR RIGHTS Important Information Regarding Your MSUFCU Checking:

What is a substitute check? To make check processing faster, federal law permits banks to replace original checks with "substitute checks" or electronic checks. These checks are similar in size to original checks with slightly reduced images of the fronts and backs of the original checks. The front of a substitute check states: "This is a legal copy of your check. You can use it the same way you would use the original check." You may use a substitute check as proof of payment, just like the original check. MSUFCU members do not receive their canceled checks. Those who use ComputerLine may view their canceled checks through our check imaging system. Because of the Check 21 Act, you may view copies of substitute checks when online. You may copy a check as proof of payment. Occasionally, you may request a copy of a check from us because it is necessary as proof of payment. This notice describes rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks or to electronic debits to your account. However, you have rights under other laws with respect to those transactions.

What are my rights regarding substitute checks? In certain cases, federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your account (for example, if you think that we withdrew the wrong amount from your account or that we withdrew money from your account more than once for the same check). The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your account and fees that were charged as a result of the withdrawal (for example, Overdraft fees).

The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You also are entitled to interest on the amount of your refund if your account is an interest-bearing account. If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under other law. If you use this procedure, you may receive up to \$2,500.00 of your refund (plus interest if your account earns interest) within 10 business days of us receiving your claim and the remainder of your refund (plus interest if your account earns interest) within 45 calendar days after we receive your claim. We may reverse the refund (including any interest on the refund) if we are later able to demonstrate that the substitute check was correctly posted to your account.

How do I make a claim for a refund? If you believe that you have suffered a loss relating to a substitute check that you received and that was posted to your account, please contact us at MSUFCU, Specialty and Support Services, PO Box 1208, East Lansing, MI 48826-1208; by calling 517-333-2424 or 800-678-4968; or online at msufcu.org. You must contact us within 40 calendar days of the date that we mailed (or otherwise delivered by a means to which you agreed) the substitute check in question or the account statement showing that the substitute check was posted to your account, whichever is later. We will extend this time period if you were not able to make a timely claim because of extraordinary circumstances.

Your claim must include the following:

- A description of why you have suffered a loss (for example, you think the amount withdrawn was incorrect)
- An estimate of the amount of your loss
- An explanation of why the substitute check you received is insufficient to confirm that you suffered a loss
- A copy of the substitute check and/or the following information to help us identify the substitute check: identifying information (e.g. the check number), the name of the person to whom you wrote the check, and the amount of the check.

The tier applicable to your account can change daily depending on the daily balance in the account. AVAILABILITY OF FUNDS AT

MICHIGAN STATE UNIVERSITY FEDERAL CREDIT UNION

This disclosure is provided in compliance with the Federal Expedited Funds Availability Act and Regulation CC. This policy applies to all deposits into personal checking accounts at MSUFCU at 3777 West Road, East Lansing, Michigan, and at all of its branches. MSUFCU reserves the right to delay the availability of funds deposited to accounts that are not checking accounts for periods longer than those disclosed in this agreement.

For determining the availability of your deposits, every day is a business day except Saturday, Sunday, federal holidays, and MSUFCU posted holidays. If you make a deposit on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit on a day we are not open, we will consider the deposit made on the next business day.

HOLDS ON OTHER FUNDS (CHECK CASHING)

If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your checking account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

HOLDS ON OTHER FUNDS (OTHER ACCOUNTS)

If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately, but delay your availability to withdraw a corresponding amount of funds you have on deposit in another account with us. The funds in the other account would then not be available until the time period, described elsewhere in this disclosure for the type you deposited, lapse.

DELAYED AVAILABILITY

In some cases, we will not make all of the funds that you deposit by check available to you immediately. Depending on the type of check you deposit, funds may not be available until the business day after the day of your deposit. However, the first \$200.00 of your deposits will be available on the first business day after the day we receive your deposit. If we are not going to make all of the funds from your deposit available immediately, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

LONGER DELAYS MAY APPLY

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000.00 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of communications or computer equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the eleventh business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS

The following special rules MAY apply during the first 30 days your checking account is open:

Funds from the deposits of cash and the first \$5,000.00 of a day's total deposits of cashier's, certified, teller's, travelers', and state and local government checks will be available immediately if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$5,000.00 will be available no later than the ninth business day after the day of your deposit. Funds from all other check deposits will be available no later than the ninth business day after the day of your deposit.

Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit. If you have any questions, please contact MSUFCU.

SHARED BRANCHES

You can access your accounts and conduct business nationwide at any of the participating credit union locations within the CO-OP Shared Branch network, just as

if you were at your home branch. Transactions performed at shared branch locations are subject to their fees, rules, policies, and procedures.

LONGER DELAYS MAY APPLY

In some cases, all of the funds you deposit by check will not be available to you on the same business day you make the deposit. Depending upon the type of check you deposit, funds may not be immediately available. However, the first \$200.00 of your deposits will be available on the first business day after the day we receive your deposit. If all of your funds from your deposit are not available on the same business day, you will be notified at the time you make your deposit as to when your funds will be available. If your deposit is not made directly to a shared branch employee, or if this action is taken after you have left the premises, a notice will be mailed to you by the business day after your deposit is received. If you will need the funds from a deposit right away, you should ask us when the funds will be available. In addition, funds you deposit by check may be delayed for a longer period if there is an emergency such as failure of communications or computer equipment. Should such an emergency occur, we will notify you and tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.
