# DIY Holiday Ornaments

Directions: With the help of an adult, gather the supplies and check off each box as you go.

## Supplies:

**Ornament**

Permanent Marker
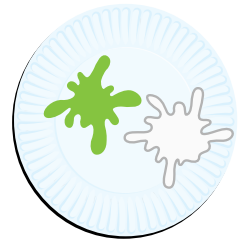

Craft Paint

Paper Plate

Colored Felt or Paper

Step 1:

Squeeze paint color of choice on to paper plate.

Step 2:

Dip hand in paint and ensure it's fully covered, but not overly saturated.

Step 3:

Carefully place the ornament in the palm of your painted hand and wrap your fingers around it.

Step 4:

Remove the ornament from your painted hand and set it somewhere safe to dry.

Step 5:

Once paint is dry, use the permanent marker and felt or paper to decorate your ornament.
