

Travel Accident Insurance

Travel Accident Insurance gives eligible cardholders protection when they travel and purchase their passenger fare with their covered card. This benefit provides Accidental Death and Dismemberment coverage. Coverage is in effect on the common carrier (e.g. flight, rail, bus, ferry, cruise ship), as well as while on courtesy ground transportation to and from the airport (or train depot, bus terminal, etc.) and between terminals. This includes courtesy transportation while the cardholder is at the airport immediately before departure, or immediately after arrival on any covered trip. Certain terms, conditions and exclusions apply. In order for coverage to apply, the cardholder must use their covered Visa card to secure transactions. For coverage, please contact the Plan Administrator.
