## MSU Reloadable Visa Debit Card Agreement and Disclosure Statement

Michigan State University Federal Credit Union (MSUFCU) issues the reloadable Visa Debit Reloadable Card (herein called "Reloadable Card"), which can be used to make purchases. The Reloadable Card is funded by electronic deposit from MSU, to use for travel expenses. In this Agreement, the terms "we," "us," and "our" refer to MSUFCU and the terms "you" and "your" refer to the individual who obtained the Reloadable Card. By activating and using the Reloadable Card, you agree to be bound by the terms and conditions of this Agreement.

- Terms and Conditions:** The Reloadable Card allows you to access funds MSU deposits onto your card. The Reloadable Card does not constitute a checking, savings, or other bank account and is not connected in any way to any other account you may have. The Reloadable Card is loaded with a specific amount of funds and may be used to buy goods and services anywhere Visa Debit Cards are accepted, unless restricted by MSU. The Reloadable Card is NOT a credit card. You will not receive any dividends on the available funds in your Reloadable Card.

The Reloadable Card will be produced with your name as directed. You agree to immediately sign the Reloadable Card (in the space provided on the back) and the signature will be in the same form as your name printed on the front of the Reloadable Card. You agree that you will not permit any other person to use your Reloadable Card. If you do allow any other person to use your Reloadable Card, you agree that you will be responsible for all use of the Reloadable Card by the other person until you get the Reloadable Card back, whether or not you have authorized that use or have previously notified MSUFCU that you will not be responsible for such use. Secondary cards, in the name of another person, are not available.

You may obtain information about the amount of money you have remaining on your Reloadable Card by accessing your card information online as provided.

We will issue you a Personal Identification Number (PIN) for your Reloadable Card. We will issue you a temporary user ID and password for online access, which you can use with an internet connection to make balance inquiries of your Reloadable Card. You agree that you will keep your PINs and passwords secure and will not share them.

You affirm that the personal identification information and documentation that you provide to us or MSU (including information on your Form I-9) which constitutes part of this agreement is true, accurate, and complete, and you authorize MSU to provide us such information. You also authorize us, directly or through third parties, to make inquiries we consider necessary to validate such information, including checking third party databases.

- Procedures for Issuing a Reloadable Card:** To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who requests a Reloadable Card or that receives a Reloadable Card. When we are asked to issue you a Reloadable Card, we will require your full name, address, date of birth, Taxpayer Identification Number, and other information that will allow us to identify you. We may also ask for your driver's license information or other identifying documentation.
- Using the Card:** Reloadable Card authorizations may result in temporary holds on funds for up to 10 days. Certain types of merchants, such as restaurants, gas stations, car rental agencies, and hotels, may obtain an authorization that exceeds the actual amount of your purchase. The

The information about the costs of the card described in this disclosure is accurate as of August 1, 2017. This information may have changed after that date. To find out what may have changed, write to us at PO Box 1208, East Lansing, MI 48826-1208 or visit msufcu.org.

amount authorized may be held for up to 10 days. For security reasons, we may limit the amount of or number of transactions you can make on your Reloadable Card. If you wish to use your Reloadable Card for a purchase that is greater than the balance of the funds available on your Reloadable Card, you must instruct the merchant to charge no more than the exact amount of funds available on your Reloadable Card to the Reloadable Card and then you must arrange to pay the difference using another payment method. We are not responsible for a merchant obtaining authorization for more than the available balance on the Reloadable Card.

- Reloadable Card Reissue:** Your Reloadable Card is valid until the date embossed on the front of the Reloadable Card (the expiration date), or cancelled by MSU. You will automatically be issued a new Reloadable Card a few weeks prior to its expiration date, unless the Reloadable Card is determined to be inactive.
- International Transactions:** When you use your Reloadable Card for international transactions, a fee will be assessed. You agree to pay a 1.00% International Transaction Fee for ATM and point-of-sale (i.e., PIN-based) transactions and a 3.00% International Transaction Fee for all other international transactions and cash advances. The fee will be assessed on international transactions if a currency conversion takes place or if the transaction is processed in U.S. dollars.

When you use your Reloadable Card at a merchant that settles in, or at an ATM that dispenses, currency other than U.S. dollars, the charge will be converted into the U.S. dollar amount. The currency conversion rate used to determine the transaction amount in U.S. dollars is either a wholesale market rate or the government mandated rate in effect the day before the processing date. The conversion rate in effect on the processing date may differ from the rate in effect on the transaction date or posting date. The International Transaction Fee will be calculated after the transaction has been converted to U.S. dollars.

- Location of ATMs:** The number and locations of the ATMs we own or operate is subject to change at any time. Locate CO-OP ATMs by visiting our website at [msufcu.org](http://msufcu.org) or by accessing our mobile app.
- Right to Cancel:** MSUFCU or MSU may cancel this agreement at any time and cancel your privilege to use the Reloadable Card. The Reloadable Card is the property of MSU and you agree to return your Reloadable Card upon request.
- Lost or Stolen:** If you learn or believe that the Reloadable Card has been lost or stolen or has been used or may be used by some other person without your permission, you agree to immediately call us or write us, as explained in Section 22.
- Errors or Questions:** Call or write us, as explained in Section 22, as soon as you can if you think an error has occurred in your Reloadable Card. We must allow you to report an error until 60 days after the earlier of the date you electronically access your account, if the error could be viewed in your electronic history, or the date we sent the FIRST written history on which the error appeared. You may request a written history of your transactions at any time by calling or writing us, as explained in Section 22. You will need to tell us:
  - Your name and Reloadable Card number
  - Why you believe there is an error and the dollar amount involved
  - Approximately when the error took place

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days of hearing from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have access to the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your

account.

For errors involving new Reloadable Card or point-of-sale or international transactions, we may take up to 90 days to investigate your complaint or question. For new Reloadable Cards, we may take up to 20 business days to credit your Reloadable Card for the amount you think is in error.

We will tell you the results within three (3) business days of completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation.

If you need more information about our error-resolution procedures, call us, as explained in Section 22, or visit [msufcu.org](http://msufcu.org).

- Reloadable Card Authorization and Acceptance:** Your use, or your allowance of someone else's use, of the Reloadable Card to make payments, to purchase merchandise or services, or to obtain cash advances from any person or firm which honors such Reloadable Card is your authorization to MSUFCU to pay Visa sales drafts or cash advance drafts which you authorize when using the Reloadable Card. MSUFCU will not honor requests to stop payment on a sales draft you authorize when using the Reloadable Card. If MSUFCU pays any Reloadable Card transaction when no funds are available, you agree to repay such amounts to MSUFCU immediately.

If you continue to use the Reloadable Card when funds are not available, your Reloadable Card may be canceled and you agree to promptly surrender your Reloadable Card to MSUFCU.

You agree that you will not make, or permit to be made, any illegal transactions on your Reloadable Card through use of a Reloadable Card, a check, or in any other manner. MSUFCU may deny authorization for any internet gambling transaction.

MSUFCU has no liability to you if a person or firm to whom you present your Reloadable Card refuses to honor your Reloadable Card or retains your Reloadable Card, even if at such time there were sufficient funds available to cover the amount of the transaction you wanted to make.

Even though the sales or cash advance drafts that you may sign when using your Reloadable Card may contain different terms, the terms of your existing agreements with MSUFCU relating to your Reloadable Card govern all Reloadable Card transactions you make.

Merchants and others who honor your Reloadable Card may give credits for returns or adjustments. Once notified by the merchant, MSUFCU will credit the amount of the adjustment to your Reloadable Card.

- Liability for Failure to Make Electronic Fund Transfers:** If we do not complete an electronic fund transfer to or from your Reloadable Card on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:
  - If, through no fault of ours, you do not have enough money available in your Reloadable Card to make the transfer
  - If the ATM where you are making the transaction does not have enough cash or is not functioning properly, and you were aware it was not functioning properly prior to initiating a transaction
  - If, through no fault of ours, your Reloadable Card is damaged
  - If you use or try to use your Reloadable Card or your PIN after your right to use it has been canceled
  - If circumstances beyond our control prevent the transfer, despite reasonable precautions that we have taken
  - If you fail to observe the terms and conditions of this agreement or the mobile app as they relate to electronic fund transfers
- Liability for Accuracy of Data:** We will not be responsible to you for any claims, damages, losses, or expenses arising out of the preparation or delivery of data input for electronic fund transfers and credit or debit entries prepared by MSU. In all cases, we will be entitled to rely upon the accuracy and correctness of this data input prepared by MSU, and

we will have no obligation to investigate or determine the accuracy or authorization of this data input or the electronic fund transfers directed by MSU.

- Consumer Liability for Unauthorized Use:** If you furnish another person with your Reloadable Card and PIN, or user ID and password (collectively, "access device"), you will be responsible for all electronic fund transfers initiated by the person. Your responsibility pertains to transfers from which you may receive no benefit, and applies even though that person may not have actual authority to initiate a transfer or transfers of an amount in excess of that which is authorized. Your responsibility for such transfers remains until you have notified us in writing that the person is no longer authorized to initiate transfers. Until you have notified us in writing, you will be liable for all transfers initiated by that person.

Tell us AT ONCE if you believe your access device has been lost or stolen. Contacting us immediately by phone, email, or at any branch location may help minimize your potential loss. You could lose all the money in your Reloadable Card. If you tell us within two (2) business days, you can lose no more than \$50 if someone used your Reloadable Card without your permission.

If you do not tell us within two (2) business days of learning of the loss or theft of your access device, and we can prove we could have stopped someone from using your access device without your permission if you had told us, you could lose as much as \$500.

Also, if your electronic history or statement shows transfers that you did not make, tell us at once. If you do not tell us within 60 days of the statement being mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

If you believe your access device has been lost or stolen or that someone has transferred money from your Reloadable Card without your permission, or may be about to do so, contact us IMMEDIATELY at the telephone number, website, or address, as provided in Section 22.

- Special Unauthorized Use Liability Rule for Prepaid Visa Debit Reloadable Card:** Unless you have been grossly negligent or have engaged in fraud, you will not be liable for any unauthorized transactions using your lost or stolen Reloadable Card. This additional limit on liability does not apply to ATM transactions, or to transactions using your PIN that are not processed by Visa. In those cases, your liability for unauthorized use is addressed in Section 14 above.
- Reversing Electronic Fund Transfers:** If an electronic fund transfer described was a payment of \$50 or more for goods or services, you have the right to require us to reverse such transfer and to credit your account with the full amount of the transfer if:
  - You tell us within four (4) calendar days of the date of the transfer to make such reversal and
  - You notify us that you have made a good faith attempt to resolve your dispute with the third party involved and
  - You assure us that any returnable goods involved in the dispute will be returned

If you do these things in writing, you MUST send us a letter or call us at the address or phone number set forth in Section 22.

If you tell us orally that you want such a transfer reversed, you must send us a letter to confirm your reversal request, your notice of attempted resolution of the dispute, and your assurance to return any returnable goods involved. We must receive this letter within 14 calendar days of the date of your oral request for reversal. We reserve the right to impose a reasonable charge for handling such reversal requests.
