¹ You may be charged a Courtesy Pay, Courtesy Pay for Debit, or NSF fee, as applicable, each time a transaction is presented for payment and the available balance is insufficient, even if the transaction was previously rejected and a fee was previously charged. For example, a transaction you authorize (such as a check or an ACH debit) may be presented or submitted for payment multiple times and MSUFCU will determine whether or not the available balance is sufficient to pay the transaction each time it is presented or submitted. This means you could be charged multiple fees (including multiple NSF fees or a combination of multiple NSF fees and a Courtesy Pay fee) for one transaction that you authorized. Note: It is the merchant (or other individual or entity), not MSUFCU, that determines when and through which payment channel to present or submit a transaction against your account (and whether to re-present or resubmit a transaction that was previously rejected).

² Courtesy Pay and Courtesy Pay for Debit (when opted in) are protected with Balance Shield and a fee will not be assessed if the available balance is negative \$5.00 or less.
