

The Secure and Fair Enforcement for Mortgage Licensing Act (SAFE Act), designed to enhance consumer protection and reduce fraud, established minimum federal regulations for individuals who write mortgage loans. The SAFE Act also created a nationwide mortgage licensing database to help consumers ensure their mortgage loans are being handled by an employee licensed under SAFE Act guidelines.

Mortgage loan originators employed by a federally regulated depository, such as Michigan State University Federal Credit Union, must meet the licensing standards established by the SAFE Act and be registered in the Nationwide Mortgage Licensing System (NMLS). To be eligible for registration under the SAFE Act, home loan originators are required by the federal government to attend classes related to mortgage licensing, pass federal and state tests, and complete credit and criminal background checks.

A list of MSUFCU employees currently licensed in the NMLSR can be found below, along with each employee's NMLS ID. MSU Federal Credit Union's license number is 405297.
